Are you ready for?

"Reflective practitioner – what is good education and learning?"

1. Yes

2. No

Agenda

» Mission & vision

- You, me & pedagogy
- Experience from higher education
- Good!?

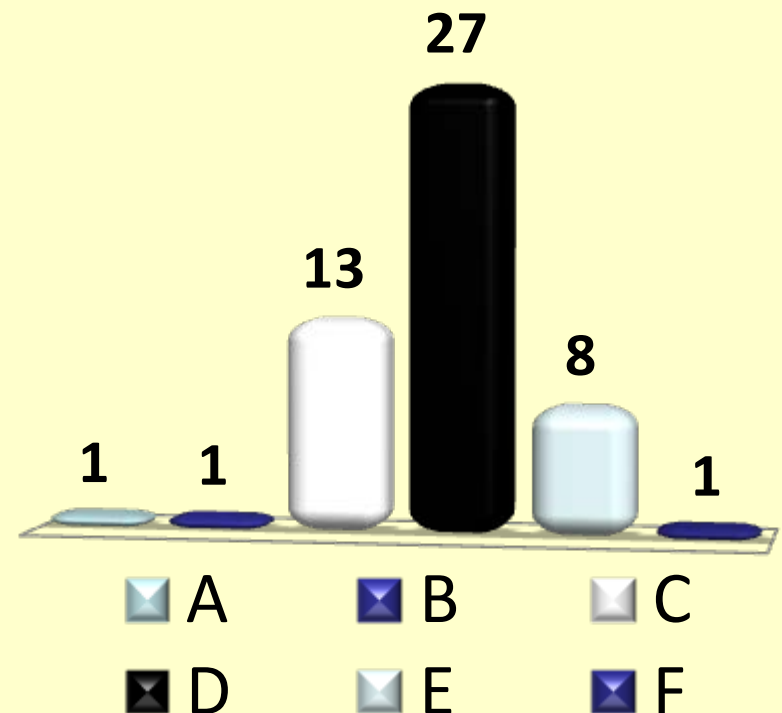

» Questions

- To understand *OR*
To discuss

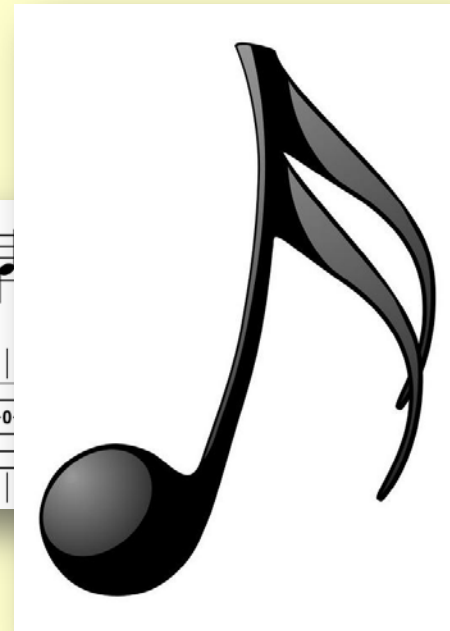

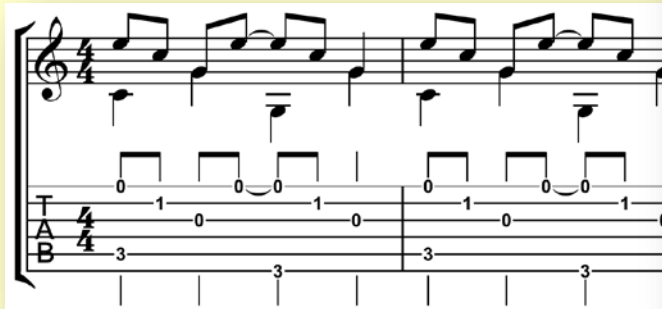

Pedagogy is...

- A) "fuzzy" and something that exist in elementary school
- B) slavery
- C) being able to explain so someone understands
- D) the science of all the factors that affect teaching and its content
- E) the science of upbringing and education
- F) the art of argumentation and discourse

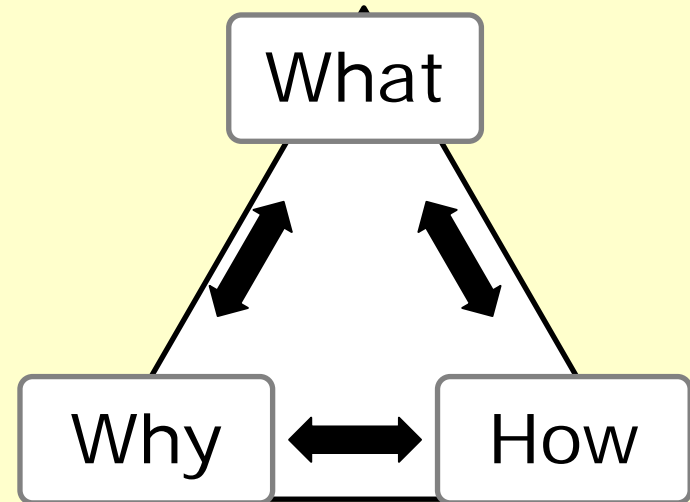

"Keynote"

- » Realize that, unfortunately, there is none
- » Adaptation & awareness is a step forward
 - The "4F"
 - Reflective practitioner

"The art of education"

Have you learned anything? Are you changed since you got here ...

A) 1 = No, nothing

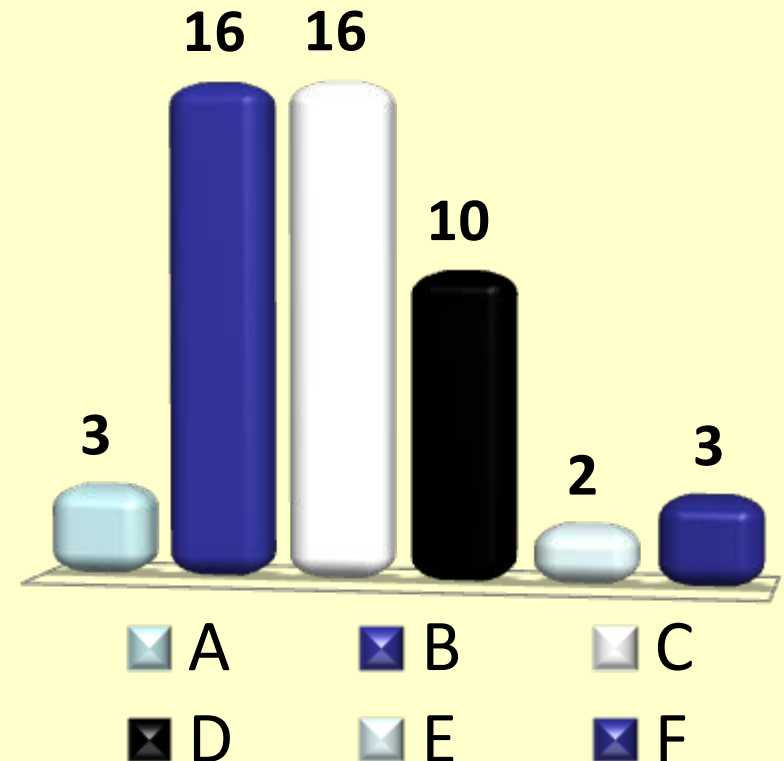

B) 2

C) 3

D) 4

E) 5

F) 6 = Yes, a lot

Experience from Higher Ed.

» Pedagogical situation

- a compulsory course in Industrial Management for Engineers
- Eg. about 235 students from 6 different programs and 4 different grades

» A systematic change processes to

- Enhance learning, improve quality, and elevate the degree of relevance of education.
- In particular, the focus has been to maximize learning and helping each individual to be their best.

Flipped classroom

Outcome

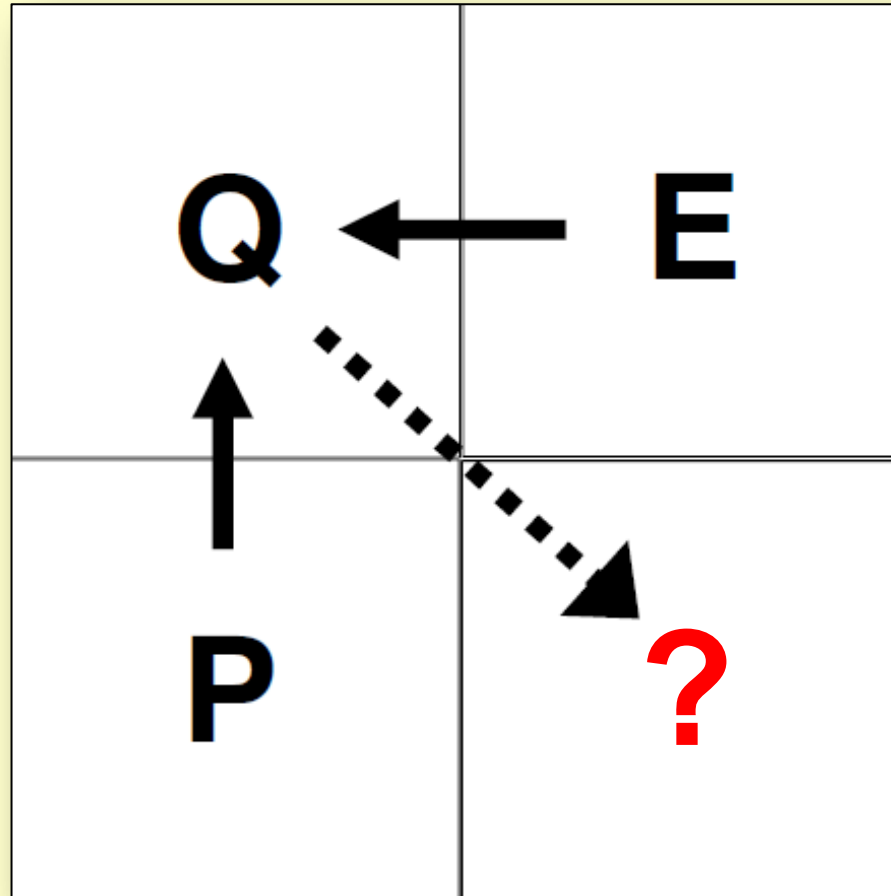

» Results

- Received and provided more energy (dialogue and % evaluation)
- More throughput and quality assured assessment
- Changes in the total course evaluation score & Teaching awards
- Positive and negative “side effects”

» Reflections

- What is good education and learning?

Good!?

Perspectives on good

» "The truth"

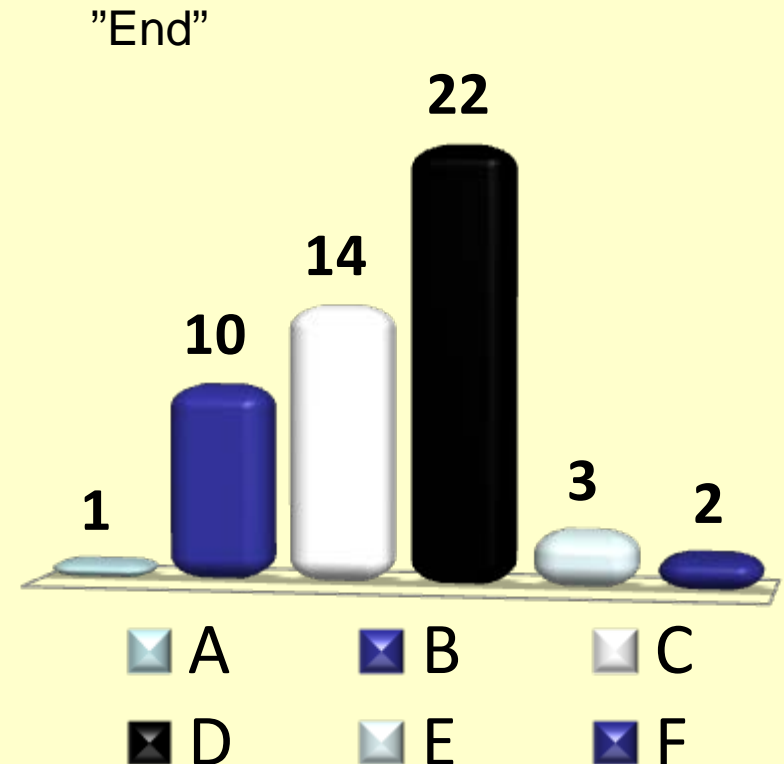

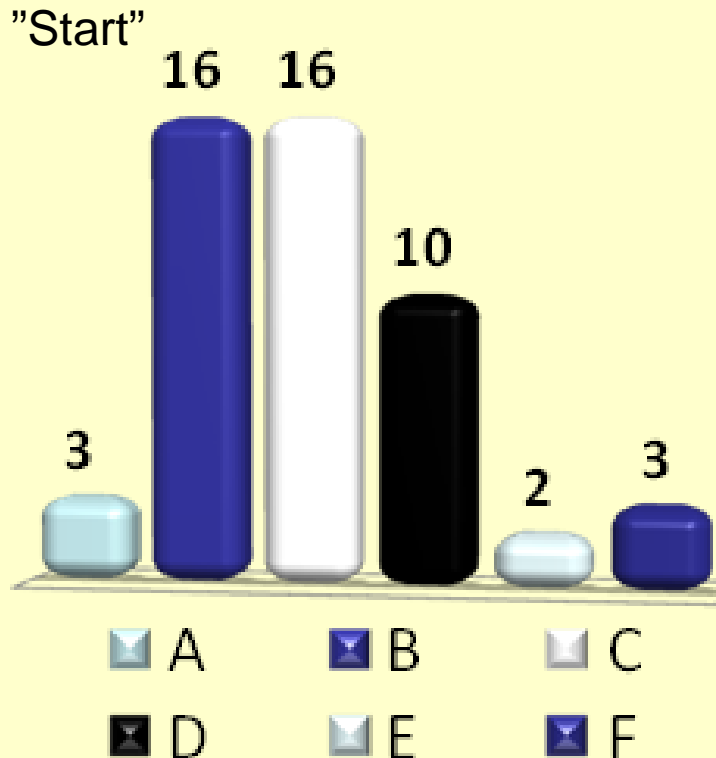

- Unique situation
- When?
- Who?

» Different angles

- Result vs. process
- Goal achievement vs. erudition (swe: bildning)
- Resource vs. value
- Evidence-based vs. proven experience
- Satisfaction vs. change
- Theory vs. practice

» Why? -> Reflective practitioner

Have you learned anything? Are you changed since you got here ...

**What change has taken place
that you will take with you?**

» Questions, reflections?
